Quality Policy

SHIVSHAKTI PAINTS is committed to achieve best protection & aesthetics for the substrates coated by our paint system, which will create value for money for customers, end users. To create the brand value of our products & for the customer's products is our goal. 'E's for business 'ease' i.e. energise yourself - energise others, environ friendly every time, edge over others, evaluate and execute. This is to be achieved by participation in knowledge based prominent activities in the paint field i.e. seminars, exhibitions, visits abroad, interactions with eminent individuals and renowned laboratories.

SHIVSHAKTI PAINTS is committed to maintain and continually improving the quality of its products, processes, systems, services and keep upgrading its personnel through training and motivation.

SHIVSHAKTI PAINTS strives to achieve customer delight by delivering excellent quality products in scheduled time.
